Community Touch, Inc.

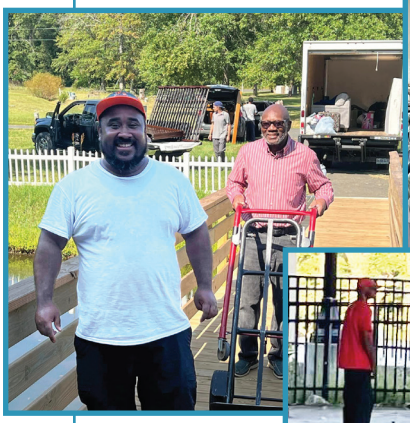
Changing Lives, Every Day.

Our Mission is to touch lives in our community one day at a time.

We serve and support families experiencing homelessness by providing financial rental assistance, food, clothing, and shelter to help them obtain and maintain permanent housing.

Clara's Faith House Food Pantry has been a staple in the community, serving families every Saturday from 10:00am - noon.

Noah's Ark Thrift Store and Outreach Services: Furniture and clothes are donated from the community and recycled back into the community to serve people in need.



Become a Donor

Community Touch would like to thank all our donors and sponsors. Your generous donations help us continue to offer strong support to those experiencing homelessness and hunger in Fauquier and surrounding counties.

Please consider giving to our newly implemented **S.T.E.P.S program.** This program helps families remain in housing by providing necessary tools, financial assistance, and resources to succeed.

Combating Homelessness

This man was homeless for 11 years, sleeping on the streets of Warrenton. His case was sent to Community Touch, and we immediately found permanent housing for him. We also delivered furnishings for his entire apartment. A special thanks to the landlords who work with us, giving individuals and families the opportunity to live in stable housing again.

Financial Literacy

Community Touch provides free financial literacy training to our clients and to the community.

Community Touch Caseworkers

Providing intense case management to families and individuals in need.
